General Requirements: The City of Bondurant grants authority to move equipment within City Limits in conjunction with an Iowa Department of Transportation (IDOT) oversize/overweight permit. The requirements and regulations of the IDOT permit apply within the City. The vehicles will be operated on Truck Routes except when it is necessary to reach a specific destination off of the Truck Route. In these instances, the vehicle should use the most direct route to reach the destination.

Necessary bridge evaluation for overweight loads will be billed back to the applicant.

Applicant will be charged labor cost for removal/replacement of traffic control devices.

Disclosure: The information furnished on this application will be used by the City to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the results of the move. The City of Bondurant assumes no responsibility for the property of the permit holder.
