75.03 General Regulations	75.07 Accident Reports
75.04 Operation of Snowmobiles	

75.01 PURPOSE. The purpose of this chapter is to regulate the operation of all-terrain vehicles and snowmobiles within the City.

75.02 DEFINITIONS. For use in this chapter the following terms are defined:

1. “All-terrain vehicle” or “ATV” means a motorized flotation-tire vehicle with not less than three (3) low pressure tires, but not more than six (6) low pressure tires, or a two-wheeled, off-road motorcycle, that is limited in engine displacement to less than eight hundred (800) cubic centimeters and in total dry weight to less than seven hundred fifty (750) pounds and that has a seat or saddle designed to be straddled by the operator and handlebars for steering control. Two-wheeled, off-road motorcycles shall be considered all-terrain vehicles only for the purpose of titling and registration. An operator of a two-wheeled, off-road motorcycle is exempt from the safety instruction and certification program requirement of Sections 321I.24 and 321I.25 of the Code of Iowa.

(Code of Iowa, Sec. 321I.1[1])

(Ordinance. 02-208)

2. “Snowmobile” means a motorized vehicle weighing less than one thousand (1,000) pounds which uses sled-type runners or skis, endless belt-type tread, or any combination of runners, skis or tread, and is designed for travel on snow or ice.

(Code of Iowa, Sec. 321G.1 [18])

75.03 GENERAL REGULATIONS. No person shall operate an ATV within the City in violation of Chapter 321I of the Code of Iowa or a snowmobile within the City in violation of the provisions of Chapter 321G of the Code of Iowa or in violation of rules established by the Natural Resource Commission of the Department of Natural Resources governing their registration, numbering, equipment and manner of operation.

(Code of Iowa, Ch. 321G & Ch. 321I)

75.04 OPERATION OF SNOWMOBILES. The operators of snowmobiles shall comply with the following restrictions as to where snowmobiles may be operated within the City.

1. Streets. Snowmobiles shall be operated only upon streets, which have not been plowed during the snow season and on such other streets as may be designated by resolution of the Council.

(Code of Iowa, Ch. 321G.9[4a])

2. Exceptions. Snowmobiles may be operated on prohibited streets only under the following circumstances:

A. Emergencies. Snowmobiles may be operated on any street in an emergency during the period of time when and at locations where snow upon the roadway renders travel by conventional motor vehicles impractical.

(Code of Iowa, Sec. 321G.9[4c])

B. Direct Crossing. Snowmobiles may make a direct crossing of a prohibited street provided all of the following occur:

(1) The crossing is made at an angle of approximately ninety degrees (90°) to the direction of the street and at a place where no obstruction prevents a quick and safe crossing;

(2) The snowmobile is brought to a complete stop before crossing the street;

(3) The driver yields the right-of-way to all on-coming traffic, which constitutes an immediate hazard; and

(4) In crossing a divided street, the crossing is made only at an intersection of such street with another street.

(Code of Iowa, Sec. 321G.9[2])

3. Railroad Right-of-way. Snowmobiles shall not be operated on an operating railroad right-of-way. A snowmobile may be driven directly across a railroad right-of-way only at an established crossing and notwithstanding any other provisions of law may, if necessary, use the improved portion of the established crossing after yielding to all oncoming traffic.

(Code of Iowa, Sec. 321G.13[h])

4. Trails. Snowmobiles shall not be operated on all-terrain vehicle trails except where so designated.

(Code of Iowa, Sec. 321G.9[4g])

5. Parks and Other City Land. Snowmobiles shall not be operated in any park, playground or upon any other City-owned property without the express permission of the City. A snowmobile shall not be operated on any City land without a snow cover of at least one-tenth of one inch.

6. Sidewalk or Parking. Snowmobiles shall not be operated upon the public sidewalk or that portion of the street located between the curb line and the sidewalk or property line commonly referred to as the “parking” except for purposes of crossing the same to a public street upon which operation is authorized by this chapter.

75.05 OPERATION OF ALL-TERRAIN VEHICLES. The operators of ATVs shall comply with the following restrictions as to where ATVs may be operated within the City:

1. Streets. ATVs may be operated on streets only in accordance with Section 321.234A of the Code of Iowa or on such streets as may be designated by resolution of the Council for the sport of driving ATVs.

(Code of Iowa, Sec. 321I.10[1 & 2A])

2. Trails. ATVs shall not be operated on snowmobile trails except where designated.

(Code of Iowa, Sec. 321I.10[3])

3. Railroad Right-of-way. ATVs shall not be operated on an operating railroad right-of-way. An ATV may be driven directly across a railroad right-of-way only at an established crossing and notwithstanding any other provisions of law may, if necessary, use the improved portion of the established crossing after yielding to all oncoming traffic.

(Code of Iowa, Sec. 321I.14[h])

4. Parks and Other City Land. ATVs shall not be operated in any park, playground or upon any other City-owned property without the express permission of the City.

5. Sidewalk or Parking. ATVs shall not be operated upon the public sidewalk or that portion of the street located between the curb line and the sidewalk or property line commonly referred to as the “parking.”

75.06 NEGLIGENCE. The owner and operator of an ATV or snowmobile are liable for any injury or damage occasioned by the negligent operation of the ATV or snowmobile. The owner of an ATV or snowmobile shall be liable for any such injury or damage only if the owner was the operator of the ATV or snowmobile at the time the injury or damage occurred or if the operator had the owner’s consent to operate the ATV or snowmobile at the time the injury or damage occurred.

(Code of Iowa, Sec. 321G.18 & 321I.19)

75.07 ACCIDENT REPORTS. Whenever an ATV or snowmobile is involved in an accident resulting in injury or death to anyone or property damage amounting to one thousand five hundred dollars (\$1,500.00) or more, either the operator or someone acting for the operator shall immediately notify a law enforcement officer and shall file an accident report, in accordance with State law.

2. When preparing for a left turn at an intersection or into a private road or driveway.
3. When reasonably necessary to avoid conditions (including, but not limited to, fixed or moving objects, vehicles, bicycles, pedestrians, animals, surface hazards, or substandard width lanes) that make it unsafe to continue along the right-hand curb or edge. For purposes of this section, a “substandard width lane” is a lane that is too narrow for a bicycle and a vehicle to travel safely side by side within the lane.
4. A facility that would allow bicycle traffic on the left side of the roadway.

B. Any person operating a bicycle upon a roadway which carries traffic in one direction only and has two or more marked traffic lanes, may ride as near the left-hand curb or edge of such roadway as practicable.

ABANDONED VEHICLES

80.01 Definitions	80.06 Disposal of Abandoned Vehicles
80.02 Authority to Take Possession of Abandoned Vehicles	80.07 Disposal of Totally Inoperable Vehicles
80.03 Notice by Mail	80.08 Proceeds from Sales
80.04 Notification in Newspaper	80.09 Duties of Demolisher
80.05 Fees for Impoundment	

80.01 DEFINITIONS. For use in this chapter the following terms are defined:

(Code of Iowa, Sec. 321.89[1])

1. “Abandoned vehicle” means any of the following:
 - A. A vehicle that has been left unattended on public property for more than twenty-four (24) hours and lacks current registration plates or two (2) or more wheels or other parts which renders the vehicle totally inoperable.
 - B. A vehicle that has remained illegally on public property for more than twenty-four (24) hours.
 - C. A vehicle that has been unlawfully parked or placed on private property without the consent of the owner or person in control of the property for more than twenty-four (24) hours.
 - D. A vehicle that has been legally impounded by order of a police authority and has not been reclaimed for a period of ten (10) days. However, a police authority may declare the vehicle abandoned within the ten-day period by commencing the notification process.
 - E. Any vehicle parked on the highway determined by a police authority to create a hazard to other vehicle traffic.
 - F. A vehicle that has been impounded pursuant to Section 321J.4B of the Code of Iowa by order of the court and whose owner has not paid the impoundment fees after notification by the person or agency responsible for carrying out the impoundment order.
2. “Demolisher” means a person licensed under Chapter 321H of the Code of Iowa whose business it is to convert a vehicle to junk, processed scrap or scrap metal, or otherwise to wreck, or dismantle vehicles.
3. “Police authority” means the Iowa state patrol or any law enforcement agency of a county or City.

80.02 AUTHORITY TO TAKE POSSESSION OF ABANDONED VEHICLES. A police authority, upon the authority's own initiative or upon the request of any other authority having the duties of control of highways or traffic, shall take into custody an abandoned vehicle on public property and may take into custody any abandoned vehicle on private property. The police authority may employ its own personnel, equipment and facilities or hire a private entity, equipment and facilities for the purpose of removing, preserving, storing, or disposing of abandoned vehicles. If a police authority employs a private entity to dispose of abandoned vehicles, the police authority shall provide the private entity with the names and addresses of the registered owners, all lienholders of record, and any other known claimant to the vehicle or the personal property found in the vehicle.

(Code of Iowa, Sec. 321.89[2])

80.03 NOTICE BY MAIL. The police authority or private entity that takes into custody an abandoned vehicle shall notify, within twenty (20) days, by certified mail, the last known registered owner of the vehicle, all lienholders of record, and any other known claimant to the vehicle or to personal property found in the vehicle, addressed to the parties' last known addresses of record, that the abandoned vehicle has been taken into custody. Notice shall be deemed given when mailed. The notice shall describe the year, make, model and vehicle identification number of the vehicle, describe the personal property found in the vehicle, set forth the location of the facility where the vehicle is being held, and inform the persons receiving the notice of their right to reclaim the vehicle and personal property within ten (10) days after the effective date of the notice upon payment of all towing, preservation, and storage charges resulting from placing the vehicle in custody and upon payment of the costs of the notice. The notice shall also state that the failure of the owner, lienholders or claimants to exercise their right to reclaim the vehicle or personal property within the time provided shall be deemed a waiver by the owner, lienholders and claimants of all right, title, claim and interest in the vehicle or personal property and that failure to reclaim the vehicle or personal property is deemed consent to the sale of the vehicle at a public auction or disposal of the vehicle to a demolisher and to disposal of the personal property by sale or destruction. The notice shall state that any person claiming rightful possession of the vehicle or personal property who disputes the planned disposition of the vehicle or property by the police authority or private entity or of the assessment of fees and charges provided by this section may ask for an evidentiary hearing before the police authority to contest those matters. If the persons receiving the notice do not ask for a hearing or exercise their right to reclaim the vehicle or personal property within the ten-day reclaiming period, the owner, lienholders or claimants shall no longer have any right, title, claim, or interest in or to the vehicle or the personal property. A court in any case in law or equity shall not recognize any right, title, claim, or interest of the owner, lienholders or claimants after the expiration of the ten-day reclaiming period.

(Code of Iowa, Sec. 321.89[3a])

80.04 NOTIFICATION IN NEWSPAPER. If it is impossible to determine with reasonable certainty the identity and addresses of the last registered owner and all lienholders, notice by one publication in one newspaper of general circulation in the area where the vehicle was abandoned shall be sufficient to meet all requirements of notice under Section 80.03. The published notice may contain multiple listings of abandoned vehicles and personal property but shall be published within the same time requirements and contain the same information as prescribed for mailed notice in Section 80.03.

(Code of Iowa, Sec. 321.89[3b])

80.05 FEES FOR IMPOUNDMENT. The owner, lienholder or claimant shall pay all towing and storage fees as established by the storage facility, whereupon the vehicle shall be released.

(Code of Iowa, Sec. 321.89[3a])

80.06 DISPOSAL OF ABANDONED VEHICLES. If an abandoned vehicle has not been reclaimed as provided herein, the police authority or private entity shall make a determination as to whether or not the motor vehicle should be sold for use upon the highways, and shall dispose of the motor vehicle in accordance with State law.

(Code of Iowa, Sec. 321.89[4])

80.07 DISPOSAL OF TOTALLY INOPERABLE VEHICLES. The City or any person upon whose property or in whose possession is found any abandoned motor vehicle, or any person being the owner of a motor vehicle whose title certificate is faulty, lost or destroyed, may dispose of such motor vehicle to a demolisher for junk, without a title and without notification procedures, if such motor vehicle lacks an engine or two (2) or more wheels or other structural part which renders the vehicle totally inoperable. The police authority shall give the applicant a certificate of authority. The applicant shall then apply to the County Treasurer for a junking certificate and shall surrender the certificate of authority in lieu of the certificate of title.

(Code of Iowa, Sec. 321.90[2e])

80.08 PROCEEDS FROM SALES. Proceeds from the sale of any abandoned vehicle shall be applied to the expense of auction, cost of towing, preserving, storing and notification required, in accordance with State law. Any balance shall be held for the owner of the motor vehicle or entitled lienholder for ninety (90) days, and then shall be deposited in the State Road Use Tax Fund. Where the sale of any vehicle fails to realize the amount necessary to meet costs the police authority shall apply for reimbursement from the Department of Transportation.

(Code of Iowa, Sec. 321.89[4])

80.09 DUTIES OF DEMOLISHER. Any demolisher who purchases or otherwise acquires an abandoned motor vehicle for junk shall junk, scrap, wreck, dismantle or otherwise demolish such motor vehicle. A demolisher shall not junk, scrap, wreck, dismantle or demolish a vehicle until the demolisher has obtained the junking certificate issued for the vehicle.
