

CITY OF BONDURANT COMPREHENSIVE PLAN

Shape the future of Bondurant!

We have reviewed your thoughts and input from surveys and gameboards and begun to put some concepts together on the future of Bondurant. Now we need your help again. Come to City Hall on Tuesday, December 6 to review and help refine the concepts for our city's future. There will be a series of stations on topics that will become part of the plan such as land use, transportation networks, parks and recreation, and more!

PARTICIPATE!

Bondurant
