Commission Members discussed the City’s vision for that particular lot and the downtown area. Comments regarding the Community Visioning Program and the Comprehensive Plan were made to justify their reasoning in rejecting the proposal. Temple states the current setbacks are discouraging builders to build wider houses. City Administrator Arentsen will check with metro communities’ setbacks and the Commission will revisit the requirements at the July 14, 2016 Planning and Zoning Commission meeting.

c. **C4 Zoning Permitted Uses** – City Administrator Arentsen expressed a flooring store is interested in one of the buildings for sale on Main Street, Southeast.
