

**BUSINESS OF THE CITY COUNCIL
BONDURANT, IOWA
AGENDA STATEMENT**

Item No. 16
For Meeting of 03/23/2020

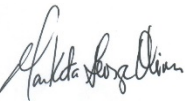

ITEM TITLE: Consideration of one or more readings of an ordinance 200323-209 to amend the Bondurant Code of Ordinances, Concerning Solid Waste Collection rates.

CONTACT PERSON: Marketa Oliver, City Administrator

SUMMARY EXPLANATION: Each year, the collection contract for solid waste in Bondurant provides for an adjustment in the collection price based on three factors: year-to-year changes in CPI, diesel fuel index and the tipping fee at the landfill. Last year the City avoided passing the rate increase to residents by switching to only one city wide clean-up day and also tapping into garbage reserves. The garbage reserves are not strong enough to absorb this increase again.

The City was notified by Metro Waste Authority of a 2¢ recycling monthly increase for each toter. Metro Waste Authority is also raising garbage rates 2¢ each effective July 1, 2020. The rate for the 96 gallon garbage toter increases from \$8.90 to \$8.92. The rate for the 48 gallon garbage toter increases from \$8.20 to \$8.22. The rate for the recycling toter increases from \$3.60 to \$3.62.

Recycling rates were last increased on April 1, 2019. Garbage rates were last increased July 1, 2018.
